From the Stewardship Committee

When we joined the church, we promised to uphold the church by our prayers, our presence, our gifts, our service, and our witness. To me Stewardship is part of that promise. It means to me to be; faithful in our prayer, attend services and other events, to tithe, and to use our talents where-ever possible. As the new year is advancing on us. Perhaps this is a good time to reflect, individually, on our past year, as members of the church. I ask that you think about your vows as a member. Are you going to be a good Steward?
